THE SECOND MESSAGE

Conger Says Their Condition Is Very Serious, With Short Rations.

RIFLE FIRE DAILY.

Chinese Insist Upon Their Leaving, Which Means Death to Them—Have Abundant Courage to Resist Attacks.

Washington, Aug. 8.—Another cablegram came to the state department Tuesday afternoon from Minister Conger at Peking, which is the second received direct from him since June 23. It is the first which has come direct from the minister since the above date the other having been received through the intermediary of the Chinese minister here Mr. Wu. The telegram shows that the situation in the Chinese capital is still of a very serious character, that the ministers are still in danger from the Chinese troops and that their supplies of ammunition and provisions have been reduced to a very considerable extent. So important were the statements contained in the dispatch that a conference was held by wire between several of the officials here and the president at Canton lasting for several hours. At its conclusion the cablegram from Mr. Conger was made public as follows: "Tien an Yamen, Secretary of State: Still besieged. Situation more precarious. Chinese government insisting upon our leaving Peking, which would be certain death. Rifle fire upon us daily by imperial troops. Have abundant courage, but little ammunition or provisions. Two progressive yamen ministers beheaded. All connected with the legation of the United States well at the present moment."

The cablegram came in the official cipher of the department. It is undated like his previous cablegram, but from the internal evidence furnished his reference to the beheading of two members of the tsungli yamen and to the insistence of the Chinese government of the removal of the ministers from Peking, the state department officials say it might be signed a date not earlier than July 30 and perhaps not later than Aug. 2. It is checked by the telegraph company as having been put on the wire at Tsi Nai, a large city about 80 miles southeast of Peking, on Aug. 7. That the conference of the officials will stimulate the energies of the government to its utmost endeavor to press forward the advance movement toward Peking is certain, for Mr. Conger's message makes it clear that for the ministers to leave Peking would result in their death.

The word "yamen" following the name of the city Tsi Nai, at which the cablegram from Minister Conger was put on the wires, as understood here, probably refers to the official building or residence from which it was transmitted, or at which it was received by courier from Peking.

AMERICANS IN FRONT.

They Were Joined by British and Japanese—Germans Not in It.

Washington, Aug. 8.—The information came Tuesday that American troops were engaged in the battle at Pei Tsang and established positively for the first time that notwithstanding the difficulties Chaffee had encountered in debarking troops and supplies, at least a part and a considerable part of our force was in the vanguard of the forward movement. Gen. Chaffee's announcement that the present objective of the international column is Yang Tsung, is interpreted by the officials at the war department to mean that this point where river, railway and wagon road meet, is to be made the advance base for the operations on Peking.

The most positive addition to the news of the day was the brief line from the Associated Press correspondent at Tien Tsin stating that the Ninth and Fourteenth infantry, Reilly's battery and the marines were in the battle of Pei Tsang. It was this force, which with the British and Japanese, bore the brunt of the attack on the left flank, which was to turn the enemy's position.

It is perhaps noteworthy and significant that in this plan of attack upon the enemy at Pei Tsang the American, British and Japanese were joined in the movement to turn the enemy's flank, while the Russians and French operated together on the opposite side of the river against the enemy's left. This may indicate the line of cleavage among the allies, whose general dissensions were reported at Tien Tsin. It is also exceedingly significant that General Chaffee does not mention the German forces at all.

It therefore seems likely that the Germans were not engaged at Pei Tsang.

Allies Lost Four Hundred.

London, Aug. 8.—A dispatch from Shanghai says:

"It is reported that heavy fighting took place last Sunday east of Pei Tsang, the allies losing 400, of whom 65 were British."

"The artillery did splendid service in the face of a galling Chinese cross fire, under which they lost heavily."

"The Chinese retreated but saved their guns. Their rear guard was attacked and practically decimated."

WACO CONVENTION.

Committees Appointed and an Adjournment Taken for the Day.

Waco, Tex., Aug. 8.—The wrinkled front of the war in which the Democratic forces of Texas seem about to engage has been smoothed till it is nearly a smile. To tell the truth, the defiance and aggressiveness moved by Mr. Bailey and his friends has had everything to do with placating measures and men and it is extremely doubtful now whether there will be a scrap at all. With the promised row averted, there is only one thing in sight that is expected to vary the monotony, and that is the struggle for the nomination for railroad commissioner. Curtis seems to have the better of the argument so far, and his friends claim his nomination will be made on the first ballot.

The convention is very large in point of numbers and the usual amount of enthusiasm is apparent.

The state executive committee at its session decided to recommend the following: For temporary chairman, Hon. Marshall Hicks of Bexar county; temporary secretary, James Hayes Quarles of Tarrant; temporary sergeant-at-arms, Sam Sparks of Bell.

The foregoing were elected upon the convening of the convention.

The Dallas delegation caucused at 11 o'clock this morning in Judge Perkins' room. Judge Richard Morgan was elected chairman and Harry L. Seay secretary. Farmer Shaw was put on the committee on credentials. The district member of the permanent organization committee was allowed to go to Rockwall county. Barry Miller was elected to help make the platform. J. E. Cockrell defeated Lee Hughes for executive committeeman by a vote of 14 to 11.

A scene not down on the programme occurred in the lobby of the State hotel. Mr. Bailey was standing talking to Jot Gunter of Sherman and George W. Owens of Dallas. Ex-Governor Hogg sat a few yards away. Suddenly he jumped to his feet and walked directly to where Bailey stood. He appeared somewhat excited and Mr. Bailey was not as calm as usual.

"Bailey," said Colonel Hogg, "I want to say something to you. I want to tell you that I have had nothing to do with all these insinuations and innuendoes against you. I have never said one word against you. I have never said one word against you. And I ask you to believe me."

Mr. Bailey answered: "Hogg, I have said some hard things about you, because I thought I had cause. I do except your disclaimer and I am glad you have told me what you have."

The two men then separated. This incident has been the source of much comment among the delegates.

Immediately after the reading of the committee's report the convention adjourned until 5 o'clock. The afternoon was spent in the usual sparring and preliminaries.

The platform committee has such men as D. W. Odell, T. H. Ball, T. B. Coop, John M. Duncan, R. W. Hudson, Barry Miller, etc., on its roll of members and is a strong body of men. The Bailey men seem to be largely in the majority and Cecil H. Smith will be made chairman, as Mr. Bailey promised.

There may or may not be a row. Hogg partisans, like Duncan and Hudson, declare unalterably against bringing up the Waters-Pierce controversy and will be satisfied if they secure adoption of the proposed Hogg amendments. The conclusion is being formed by nearly all that the bold and aggressive front of the Bailey men has brought peace.

There is to be a hot fight over the railroad commissioners. This seems to be the only war now in sight.

FIGHT WITH DESPERADOES

Four Brothers Enter the Town and Attack the City Marshal.

Emerson, Neb., Aug. 8.—Four brothers, members of the Johnson gang, Tuesday came to town and came in contact with City Marshal John Larsen, who, with a number of citizens, engaged them in a fight. Larsen was clubbed to the ground and Nels Tolstrop, a farmer, had his skull fractured with a club. The four men made their escape after the arm of one had been broken with a piece of gas pipe.

Later a posse of 10 men with Winchester found the four desperadoes and a short conflict ensued. One of the Johnsons was wounded and brought to this city. The search for the other three is being continued. A lynching is threatened.

Marshal Larsen is badly injured and will probably lose the sight of one eye.

A Noble Woman Ill.

New York, Aug. 8.—Mrs. George R. Sullivan, known as "The Angel of the Transports," is dying at her home in this city. She fell ill on Tuesday last while engaged in the work that has made her famous and has since grown steadily worse. Just what the trouble is has not been made public, but it is understood that it is a nervous breakdown caused by overwork. At the outbreak of the Spanish war she became a nurse in the army camps of the south. She devoted her own income to the purchase of delicacies and necessities for the sick.

Terrible Tornado.

New York, Aug. 8.—New Rochelle, was visited by a tornado Tuesday and the damage done along the path of the storm was about 40 feet wide and four miles long, and was very serious. The rain fell in torrents and there was much lightning. Several houses were struck two buildings burned down. The high wind blew men down in the streets and others were hit by flying debris. The damage will amount to \$40,000.

THE MORNING PRAYER.

Let me today do something that shall take
A little sadness from the world's vast store,
And may I be so favored as to make
Of joy's to scanty sum a little more.

Let me not hurt, by any selfish deed
Or thoughtless word, the heart of foe or friend;
Nor would I pass, unseeing, worthy need,
Or sin by silence where I should defend.

However meager be my worldly wealth,
Let me give something that shall aid my kind,
A word of courage, or a thought of health,
Dropped as I pass for troubled hearts to find.

Let me tonight look back across the span
Twixt dawn and dark, and to my conscience
say—
Because of some good act to beast or man—
"The world is better that I lived today."

ENGLAND'S MESSAGE.

Sir Claude MacDonald Sends one to
His Government.

CASUALTIES LIGHT.

Imperial Troops and Boxers Fire Upon
Them Continually—British Le-
gation Is Well—Have Women
and Children Safe.

London, Aug. 8.—In the house of
commons today Mr. Broderick, par-
liamentary secretary for the foreign
office, read a telegram from Sir Claude
MacDonald, British minister to China,
received in cipher at the foreign office
this morning. The dispatch was in
reply to a government message and bore
the date of Pekin, Aug. 3. It was as fol-
lows:

"I have today received your cipher
telegram forwarded to me by the Chi-
nese minister. Shell and cannon fire
ceased July 16, but rifle fire continued
from the Chinese positions held by gov-
ernment troops and boxers intermit-
tantly ever since. Casualties since then
have been slight. Except one private of
the marines, all the wounded are doing
well. The rest of the British legation
are well, including the whole garrison.
Total killed 60 and 110 wounded. We
have strengthened our fortifications.
We have over 200 women and children
in the legation. The Chinese govern-
ment has refused the transmission to
telegraphs in cipher until now."

Mr. Broderick also read the following
dispatch from Admiral Seymour, filed at
Che Foo, Aug. 6:

"Allies about 12,000 strong attacked
the Chinese entrenched position at Hai-
ku, about two miles outside of Tien Tsin
early this morning. The Chinese were
driven out and retired northward, pur-
sued by the allies who occupied Pei
Tsang. Transports followed up the
troops. By road and river the advance
on Pekin has been begun."

This dispatch does not give the date of
leaving Tien Tsin.

SITUATION SERIOUS.

The Crisis Has Been Reached and Uncle
Sam Is Mad.

Washington, Aug. 8.—The message
from Conger brings the Chinese situa-
tion to its most serious stage and the au-
thorities at Washington regard the mat-
ter as one of great gravity. They are
aware that nothing but the most vigor-
ous action can meet the conditions, save
the ministers and other foreigners in
Pekin and avert a war of long duration.
After the conference of the men in
charge of diplomatic affairs, which Presi-
dent McKinley participated in over the
long distance telephone, it was decided
to send a message to Consul General
Goodnow repeating the contents of the
Conger message, advising him that the
situation was very serious and the crisis
had been reached. He was di-
rected to communicate the fact to Li
Hung Chang, to Sheng and other Chi-
nese officials who were to transmit it to
the government of China with a strong
representation that the present situation
was intolerable and could not be con-
tinued without the most serious results.
It is understood the dispatch was prac-
tically an ultimatum and an early reply
demanded. An answer is expected dur-
ing the day or evening and probably
will determine the future action of this
government.

ENGLAND'S ULTIMATUM.

She Notifies China if She Murders Any
of Her Ministers, She Will Retaliate.

London, Aug. 8.—England has not-
ified the Chinese government that its
members will be held personally respon-
sible for the safety of the ministers and
other foreigners in Pekin.

"An eye for an eye and a tooth for a
tooth," will be rigorously exacted. For
every minister slain a Chinese official
must die. Presumably the threat ap-
plies to the members of the royal family
from the emperor and dowager empress,
through all the grades of princes of the
blood royal, down to the tsung li yamen
and other officers.

This policy of retribution was an-
nounced in the house of commons by
Mr. Broderick, parliamentary secretary
of the foreign office. He added that
further information to the house would
serve no useful purpose.

A member was asked if it was true as
announced by Li Hung Chang, that the
ministers had left Pekin under escort of
Jung Lu. Mr. Broderick said he had
no confirmation of the report. The re-
ports about the ministers are conflicting.

A Reply Sent.

Washington, Aug. 8.—A reply has
been sent to Minister Conger by the
state department to the message received
from him late Tuesday. It advises him
of the approach of the relief column and
exhorts him to be of good cheer. The
dispatch is sent direct to Conger at Pe-
kin and a duplicate of it to Consul Gen-
eral Goodnow at Shanghai. Goodnow is
directed to spare no pains or expense to
get the message to Minister Conger.

Free Communication.

Washington, Aug. 8.—Minister Wu
has received an edict under date of
Aug. 5, in which the Chinese govern-
ment permits the powers to hold open
and free communication with their min-
isters. This includes the sending of
cipher messages.

DEMOCRATIC CONVENTION.

Democrats Meet in Waco to Nominate
State Officers.

Waco, Tex., Aug. 8.—The state dem-
ocratic convention for the nomination
of candidates for state offices convened
here this morning at 9 o'clock in the
new auditorium. The attendance prom-
ises to be very large, the greatest in fact
for many years. The interest is extra-
ordinary when it is considered that Gov.
Sayers and his associates have no oppo-
sition, and there is but little more than
passing interest in the making of a
platform. The Kansas City platform
will be reaffirmed, and the administra-
tion of Gov. Sayers will receive the
usual perfunctory plaudits.

Every hotel in the city is crowded with
Democrats, here to attend the conven-
tion. At Austin there was a noticeable
absence of the leaders, the warhorses of
the party. All the leaders who have
figured prominently in the politics of
Texas since 1890 are here. The late
trains were loaded to the guards, espe-
cially those from north and west Texas
points.

Telegrams are pouring in from all
points announcing the coming of par-
tisans of the state administration. Hon.
Joseph W. Bailey is here, and repre-
sentatives of the anti-Bailey cause will
come. Mr. Bailey has headquarters at
the state house. Mr. James S. Hogg is
a near neighbor. Mr. Bailey has been
in conference with his lieutenants and
followers.

The young mayor of San Antonio,
Hon. Marshall Hicks, is very anxious to
preside over the convention as its tem-
porary chairman. He has a strong fol-
lowing. Hon. Cecil Smith of Grayson
county was announced as an active can-
didate for temporary chairman, repre-
senting the Bailey wing of the party.
Mr. Smith said:

"My name will be presented by my
friends, and my interests are in their
hands. If the state committee decides
against me, I have been told that my
friends expect to appeal from the action
of the committee to the convention."

Hon. Jot Gunter from Grayson agreed
that the programme outlined above was
official, and Mr. Gunter stands very
close to the statesman from Cooke.

Mr. James B. Wells of Brownsville is
here. He is a candidate for the state
chairmanship to succeed Hon. Charles
K. Bell of Fort Worth. Chairman Bell
has had enough. He is anxious to retire
on laurels already won. There are
spurts of opposition here and there to
Judge Wells' candidacy, but his friends
say there will be no organized opposi-
tion to his aspirations, and the gentle-
man from Brownsville will land an easy
winner as the successor of the gentle-
man from Fort Worth. The Wells men
are workers, and they are hustling to
keep down all opposition to their chief-
tain in order that his name shall go
through without opposition.

Chairman Bell will call this committee
to order at 10 o'clock this morning at
the Business Men's club. W. A. Adair
of Huntsville, has been appointed a
member of the committee, vice B. H.
Powell, deceased. Powell died last
week and Adair will be here to sit with
the committee at its first meeting.

In all probability Hon. R. E. Prince
of Corsicana will be made the perma-
nent chairman of the convention. He
appears to be unobjectionable to all
factions. If Mayor Hicks wins out as
temporary chairman his friends feel as-
sured that he will be made the perma-
nent chairman of the convention, at
least this is the gossip heard in the lob-
bies and corridors.

The Dallas county delegation held a
caucus this morning before the meeting
of the state convention. Attorney Gen-
eral Crane will submit his cause to his
fellow delegates. If the decision is fa-
vorable he will make his fight. He may
be a member of the committee on resolu-
tions, but prefers to address the con-
vention, setting forth his views free
from extraneous issues and with the
personalities of Bailey and Hogg elimi-
nated from the fight.

The Curtis men are here in numbers
and are making a terrific fight for the
railroad conductor from Temple as
against the veteran, L. J. Storey. It is
understood here that Hon. Thomas M.
Campbell of Palestine will nominate
Curtis, that Hon. Dudley G. Wooten of
Dallas will second the nomination.

Compromise Plan.

Waco, Tex., Aug. 8.—The leaders of
the faction are endeavoring to effect a
compromise, and the plan promises to
be successful.

The programme is, Mayor Hicks for
temporary chairman and Cecil Smith
for permanent chairman of the conven-
tion. It is probable that the deal will
go through at the sacrifice of R. E.
Prince.

Escaped Lunatic Captured.

Fort Worth, Tex., Aug. 8.—Major
Cohen, an escaped lunatic, was put un-
der arrest here having been captured by
Deputy Sheriff Ellison. He resisted ar-
rest but the officer called for assistance
and succeeded in overpowering him and
placing him in jail. Two weeks ago
he was adjudged insane and was taken
to the asylum at Terrell. Last Thurs-
day he escaped and made his way to
this city on foot across the country. He
will be taken back.

Low Land Flooded.

Corsicana, Tex., Aug. 8.—The rains
last night and today have flooded low
land crops and caused many streams to
leave their banks. Chambers Creek is
higher than it has been for a long time
and much damage has been done along
its banks by washouts.

HIS NOTIFICATION.

The City Was Decorated Out and a Very Large Crowd Was Present.

Indianapolis, Aug. 8.—Indianapolis has gone to work as one man to render successful and impressive Democratic notification ceremonies taking place here. The city is in gala attire and decked out for the occasion. When the sun rose it shown out upon a clear sky, thus rendering it quite certain that the programme for conducting the exercises in the open air as originally decided upon could be carried into effect. The weather was hot, to be sure, even at the early hour of sunrise, and the heat increased proportionately as Old Sol drove his chariot across the heavens, but these circumstances appeared to have little or no influence upon the throng of Democrats, local and foreign, who had come out to hear their candidate for the presidency and vice-presidency formally notified of their selection to be standard bearers of the party and see them started in the race for the high goals at the farther end of the course. Both Mr. Bryan and Mr. Stevenson arose early and both expressed themselves as greatly refreshed by the night's sleep. "We are quite prepared for the ordeal of the day, if it be called such," said Mr. Stevenson, "and it looks as if all would transpire most auspiciously." Both of them received a number of callers during the forenoon.

The parade was one of the largest ever witnessed in the city. The procession began shortly after 1 o'clock and started for Military park. Arriving at the park a throng of 25,000 were present to witness the ceremonies. Jas. D. Richardson, chairman of the notification committee, then formally notified Mr. Bryan of his nomination.

Mr. Bryan in an eloquent and characteristic manner confined his speech to the paramount issue of imperialism and pointed out to his vast audience the evil and dangers that will arise from the pursuit of the policy of the present administration, the menace of a large standing army and the gross injustice to the Filipinos. He expressed sympathy for the Boers in their struggle for liberty and claims that the attitude of the Republican party is an attack on the very foundation of our government.

While he does not consider the currency question dead, it is overshadowed by present conditions.

Mr. Bryan was repeatedly interrupted by tremendous applause.

Manly and Patriotic.

Indianapolis, Aug. 8.—When asked for an expression of an opinion upon the withdrawal of Mr. Towne from the Populist national ticket Mr. Bryan replied: "Mr. Towne's letter was manly and patriotic, but it is nothing less than was expected by those who knew him best."

Michigan Republican Convention.

Milwaukee, Aug. 8.—The programme of the Republican state convention calls for the nomination of the present state ticket with the exception of Governor Scofield. Former Congressman Robert M. LaFollette will head the ticket.

Result of the Conference.

Washington, Aug. 8.—As a result of the conference between the president, Acting Secretary of State Adee, Secretary Root and General Corbin, a cablegram was sent to Consul General Goodnow, including a copy of the dispatch from Minister Conger, and advising him of the situation as it is understood here. He was directed to communicate this to Earl Li Hung Chang, and to Cheng and also to such viceroys as can transmit it to whatever government there is in the Chinese empire. This cable contained what is said to be a very emphatic statement of the position of this government and that action was immediately necessary. While it is not strictly speaking, an ultimatum, it is very close to it. Government officials here regard the situation as very dangerous to Minister Conger and the other foreigners in Peking, and grave doubt is expressed whether the international forces can reach Peking in time to rescue the ministers.

NOT OVER YET.

The Transvaal War Is Not Yet Over, the Boers Are Harassing Roberts.

London, Aug. 8.—With all trouble in China on hand, there is more impatience than ever to be quit of the Boer war so as to enable General Roberts to spare an army corps, or a division at least, for China, but the end is not yet reached. When questioned on the subject in the house of commons Mr. Wyndham cautiously declined to fix a date for close of the operations.

The war office has received a dispatch from Gen. Roberts announcing that Harrismith had surrendered to Gen. MacDonald, so that through railway communication is now reestablished between Natal and the Orange River Colony. Another telegram from the commander-in-chief shows that Frederick Carrington, with his mounted infantry from Rhodesia, is now in touch with the Boers in the centre of the Transvaal.

At the same time the guerrilla war goes on, and while Gen. De Wet is still at large and small parties of Gen. Botha's men are harassing the outposts, capturing stores and driving in patrols in the vicinity of Pretoria itself.

Japanese Took Pei Tsung.

Washington, Aug. 8.—The navy department received the following cablegram from Admiral Remy:

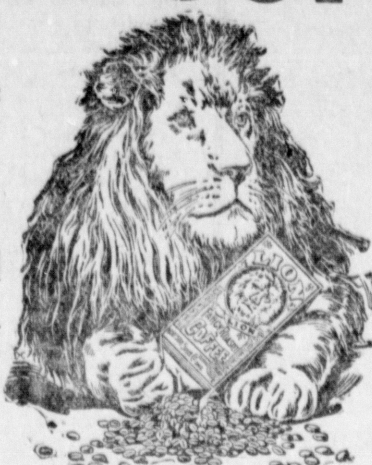

"Che Foo, Aug. 8.—Taku, Aug. 6.—Gen. Chaffee reports that the Japanese took Pei Tsung on the morning of the 5th. The engagement was over before the Americans arrived. The movement was probably continued to Yang Tsun. Inform secretary of war."
